Section E

Case Based Questions

Read the given text and answer the following questions.

34. Magadha became a powerful kingdom in North India because many rivers such as the Ganga and Son flowed through Magadha. This was important for (a) transport, (b) water supplies (c) making the land fertile. Parts of Magadha were forested. Elephants, which lived in the forest, could be captured and trained for the army. Forests also provided wood for building houses, carts and chariots. Besides, there were iron ore mines in the region that could be tapped to make strong tools and weapons. Magadha had two very powerful rulers, Bimbisara and Ajatasattu, who used all possible means to conquer other janapadas.

a. Name the powerful rulers of Magadha. 1

b. Which animal was trained for the army? 1

c. Why were the rivers important? 2

35. The axis of the earth which is an imaginary line, makes an angle of 66 ½ ^{0} with its orbital plane. The plane formed by the orbit is called the orbital plane. The earth receives light from the sun. Due to the spherical shape of the earth, only half of it gets light from the sun at a time. The portion facing the sun experiences day while the other half away from the sun experiences night. The circle that divides the day from night on the globe is called circle of illumination.

a. What angle is made by the axis with its orbital plane? 1

b. What is circle of illumination? 1

c. How the days and nights are formed? 2

36. India is a democracy. This achievement is the result of a long and eventful struggle of the Indian people. There are other places in the world where people have also struggled to have democracy. The main feature of a democracy is that the people have the power to elect their leaders. So in a sense a democracy is rule by the people. The basic idea is that people rule themselves by participating in the making of these rules. All the adult citizens are allowed to vote. This is known as Universal Adult Franchise.

a. What type of government is there in India? 1

b. What is the main feature of a democracy? 1

c. What is Universal Adult Franchise? 2

37. a. Answer the following and mark the places on the map of India. 2

i. The site divided into three parts.

ii. Fire alters were discovered at this place.

b. Answer the following and mark the places on the World map. 3

i. The second largest continent of the world.

ii. The busiest Ocean.

iii. The smallest Ocean.
